

UNITED STATES DEPARTMENT OF AGRICULTURE
NATURAL RESOURCES CONSERVATION SERVICE

CONSTRUCTION SPECIFICATION
CS-64: "FENCING OF CONSTRUCTION SITES"

64.1 SCOPE

The work shall consist of furnishing and installation of the fencing at the locations as shown on the drawings.

64.2 MATERIALS

The wire, posts, fasteners and all other appurtenances shall be new materials and of a quality that is commonly used for farm fences.

64.3 INSTALLATION

The fence shall be installed as detailed on the drawings.
